

2009

Pard's

REGIONAL

AFFILIATE

Saddle

Series

SWEEPSTAKES CONDITIONS

★ RIDER QUALIFICATION ★

1. A rider must be a member of an NRHA affiliate to participate
2. The affiliate membership list will be used to determine a rider's affiliate. Riders belonging to more than one affiliate must declare to the NRHA office by July 1st, 2009 the affiliate they plan to represent at the regional finals. A rider's designation will remain as declared until the NRHA office is notified of a change.
3. Riders will qualify through 2009 affiliate circuit shows.
4. Only points earned at affiliate circuit shows will be utilized in determining an affiliate's qualifiers.

★ FINALS CONDITIONS ★

1. One saddle per NRHA Regional Affiliate Final will be given away.
2. (2) Two gift certificates per final will also be awarded via a drawing in the respective amounts of \$300 (USD) and \$200 (USD).
3. Eligible participants in this drawing will be those riders crowned champion of their respective NRHA Regional Affiliate Finals Class. Only winners from the NRHA Regional Affiliate Finals Class will be eligible to participate in the drawing.
4. Each class champion will have his or her name placed into a drawing to take place during the last NRHA Regional Affiliate Finals Awards presentation. A name will be entered per class (if a rider wins more than one class then his or her name will be entered as many times as he or she won).
5. Three names will be drawn, the first name drawn will be awarded a custom saddle made by Pard's Western Shop, the second name drawn will be awarded a \$300 gift certificate to Pard's Western Shop (donated by the NRHA), and the third name drawn will be awarded a \$200 gift certificate to Pard's Western Shop (donated by the NRHA).
6. ELIGIBLE PARTICIPANTS MUST NOT BE PRESENT TO WIN, HOWEVER IF THE WINNER IS NOT PRESENT TO ACCEPT THE SADDLE HE OR SHE IS RESPONSIBLE FOR ALL SHIPPING CHARGES INCURRED IN THE SADDLE REACHING ITS FINAL DESTINATION.

For details go to www.nrha.com or contact the NRHA Office at 405-946-7400.
