

Why Designate?

- Designating an affiliate is very important
- Riders with memberships in more than one NRHA affiliate must declare the affiliate they plan to represent at the regional finals whether or not they have shown in more than one affiliate
- Designating insures the ability to qualify for regional affiliate finals
- Designating now allows for the ability to join and support other affiliates and still keep your position in your main affiliate.
- Once designated, designations stays active from year to year until you notify the NRHA office otherwise.
- Designate now and not worry about the July 1st deadline
- If you are currently designated you have until July 1st to make any changes. Please submit a new designation form to make appropriate changes.
