

## **Why Designate?**

- Designating an affiliate is no longer optional starting in 2010.
- Every NRHA member **MUST** be designated to **ONE** affiliate to participate in the Regional Affiliate Finals.
- Riders with membership in more than one NRHA affiliate must declare the affiliate they plan to represent at the regional finals whether or not they have shown in more than one affiliate.
- Designating now allows for the ability to join and support other affiliates and still keep your position in your main affiliate.
- Designations roll over from year to year.
- Once designated, designation stays active from year to year until you notify the NRHA office otherwise
- Designate now and not worry about the August 1<sup>st</sup>, 2010 deadline.
- If you are currently designated you have until **August 1<sup>st</sup>, 2010** to make any changes. Please submit a new designation form to make appropriate changes or if you are not currently designated.
