

## SALE VIDEO REQUIREMENTS

- Label each tape with the consignment and consignor. If more than one horse is shown on one video, be sure to identify each consignment.
- Videos can be in standard VHS, mini VHS or DVD-R format.
- Videos should not exceed **2-3 minutes** per horse.
- All videos must include views of all four sides of the horse while standing, for conformation and condition.

**Additionally, the sale committee requires the following:**

### YEARLINGS

- Please show each yearling individually in motion either on a lunge line or worked freely in a round pen.

### TWO YEAR OLDS

- Shown with a rider, trotting and loping in **each** direction.
- Should demonstrate a spin each direction.
- Should demonstrate a stop in each lead and a back up.
- Lead changes are optional.

### BROODMARES

- Shown in motion at the walk and trot.

### SHOW HORSES

- Must be ridden and shown performing all required maneuvers (stops, spins, backing, rollbacks, circles and change of leads).
- An existing video of the horse in the show arena would be appreciated.
